#### **Evaluation Criteria**

- 1. List of clients over the past **3** years, demonstrating prior experience with relevant past performance information and references (provide dates of contracts, places of performance, value of contracts, contact names, telephone and fax numbers and email addresses). The performance should include handling **Diplomatic Cargo** that applies to shipments originating from, consigned to, routed through, and/or moved within the geographic area of Mogadishu, Somalia. If the offeror has not performed comparable services in **Somalia** then the offeror shall provide its international experience. Offerors are advised that the past performance information requested above may be discussed with the client's contact person. In addition, the client's contact person may be asked to comment on the offeror's:
  - Quality of services provided under the contract;
  - Compliance with contract terms and conditions;
  - Effectiveness of management;
  - Willingness to cooperate with and assist the customer in routine matters, and when confronted by unexpected difficulties; and
  - Business integrity / business conduct.

The Government will use past performance information primarily to assess an offeror's capability to meet the solicitation performance requirements, including the relevance and

successful performance of the offeror's work experience. The Government may also use this data to evaluate the credibility of the offeror's proposal. In addition, the Contracting Officer may use past performance information in making a determination of responsibility.

- 2. Evidence that the offeror/quoter can provide the necessary personnel, equipment, and financial resources needed to perform the work;
- 3. The offeror shall address its plan to obtain all licenses and permits required by local law (see DOSAR 652.242-73 in Section 2). If offeror already possesses the locally required licenses and permits, a copy shall be provided. Offeror is also required to have access to Mogadishu International Airport.
- 4. The offeror's strategic plan for Pouch services to include but not limited to:
  - (a) A work plan taking into account all work elements in Section 1, Performance Work Statement.
  - (b) Identify types and quantities of equipment, supplies and materials required for performance of services under this contract. Identify if the offeror already possesses the listed items and their condition for suitability and if not already possessed or inadequate for use how and when the items will be obtained;
  - (c) Plan of ensuring quality of services including but not limited to contract administration and oversight; and
  - (d) (1) If insurance is required by the solicitation, a copy of the Certificate of Insurance(s), **or** (2) a statement that the contractor will get the required insurance, and the name of the insurance provider to be used.
